

SENIOR ASSOCIATE

Info@LohmanDehner.com

SUMMARY

We are looking for a motivated, technical accounting focused Senior Associate to join our expanding team at Lohman & Dehner. The Senior Associate will report to our head of technical accounting and will be expected to manage multiple projects at a time assessing the impacts of new accounting pronouncements, conducting accounting research, drafting and maintaining accounting policies, and implementing the adoption of new accounting standards for a range of clients.

RESPONSIBILITIES

- Provide technical accounting analysis and documented conclusions around accounting positions for a variety of topics (e.g., revenue recognition, foreign currency translation, equity investment valuations, consolidation, employee incentives including stock options, goodwill/intangibles, real estate, and business combination accounting).
- Assess the impact of new accounting pronouncements and collaborate with clients to drive company-specific implementation.
- Research and document the accounting treatment for new transactions and business initiatives.
- Coordinate with external auditors to deliver timely audit evidence.
- Assist with special projects and other duties

BASIC REQUIREMENTS/QUALIFICATIONS

- Bachelors degree in Accounting or related discipline required
- CPA license preferred
- At least three years of related experience
- Excellent inter-personal and communication skills

ABOUT LOHMAN & DEHNER

Lohman & Dehner is a professional services firm that provides finance and accounting advisory services to early-stage and growing companies. Our team specializes in strategic advisory services typically provided by the Chief Financial Officer and their department, from the day-to-day accounting needs through complex financial analyses and technical accounting matters. We partner with businesses from day one and serve as a key advisor all the way through an IPO or strategic exit.

Please send a current resume and cover letter to Info@lohmandehner.com. No recruiters please.
